

The Center School Foundation

Spanish students celebrate the Day of the Dead in their cultural learning experience.

The Foundation's first successful project was being able to assist in funding a Seton Hall Project Acceleration program for our college bound students by offering Spanish III and enabling them to earn six (6) transferrable credits!

Marcie Fiorentino, Chairman
Executive Director
The Center School

The Foundation's mission is to provide perpetual financial support for The Center School, enabling the school to fund educational programs and acquire learning tools for the benefit of the students, as a complement to the traditional funding sources.
